About GSHG

At Girl Scouts, girls will prepare for a lifetime of leadership, success, and adventure in a safe, no-limits place designed for and by girls! At Girl Scouts, she'll get to lead her own adventure (it's her world!) and team up with other girls in an all-girl environment to choose the exciting, hands-on activities that interest her most.

Girl Scouts of Historic Georgia is rich in heritage and purpose. The council extends from the North Georgia mountains to the Okefenokee and from the Atlantic coast to the Chattahoochee Valley. Girl Scouts of Historic Georgia serves more than 7,000 girls and 3,000 adults in 122 counties in Georgia, two counties in South Carolina and one county in Alabama. The council is also the home of our organization's founder, Juliette Gordon Low, who founded Girl Scouts on March 12, 1912 in Savannah, Georgia, where her birthplace and the historic First Headquarters still welcome thousands of Girl Scouts every year.

Girl Scout Promise

On my honor, I will try:

To serve God* and my country,
To help people at all times,
And to live by the Girl Scout Law.

Girl Scout Law

I will do my best to be

honest and fair,
friendly and helpful,
considerate and caring,
courageous and strong,
and responsible for what I say and do,

and to

respect myself and others,
respect authority, use resources wisely,
make the world a better place,
and be a sister to every Girl Scout.

Juliette Gordon Low Birthplace

Discover where it all began! We offer a variety of Girl Scout Programs, guided tours, and exclusive pins and patches.

AVAILABLE GIRL SCOUT PROGRAMS

House for All

The Juliette Gordon Low Birthplace opened its doors to visitors in 1956, with the goal of being a “house for all girls.” In this strategy game, you’ll trade cards and collaborate with your teammates to design a welcoming, accessible place for your imaginary clients to live, work, and play. You’ll find out about inclusive design and how designing for accessibility first can make the world a better place for everyone.

She’s Got Game

Juliette Gordon Low might have realized that the time she spent as a girl playing and making up games with family and friends helped give her the courage, confidence, and character she needed to start Girl Scouts. Carry on this Girl Scout tradition. Have fun while playing games with other Girl Scouts!

Picture This

From a young age Juliette Gordon Low discovered she had a passion for art and narrative; a passion she shared with the earliest Girl Scout troops. This program combines art and storytelling in the form of mixed media collages that use images from our Girl Scout past, recycled materials, found objects, and more!

Over Teacups

We invite **Senior and Ambassador** Girl Scouts to join us for a tasting tour and tea in Juliette’s family home. We’ll taste our way through stories from her life and hear how other trailblazing women have used food to make the world a better place. Then we’ll sit down together for tea with light refreshments in the parlor of her family home, where Juliette Gordon Low hosted tea parties for the first Girl Scouts.

You've worked hard as a Girl Scout by building marketable skills like teamwork and leadership, collecting community service hours, and earning awards like the Girl Scout Silver Award or Girl Scout Gold Award. Although it can seem overwhelming, all of this hard work is going to pay off when it comes time for college applications and scholarships. In order to make this process easier, we've collected a list of scholarships and resources to help make your college dreams an affordable reality.

Please note, we update this listing annually. Most of the deadlines are in April and May.
